

Blind As A Bat
Meat Loaf

Am **E** **Am**
I m not afraid to show you who I am
Dm **Am**
And I am not ashamed of my life
Dm **Am E** **Am**
Though I ve walked alone down this cold and soulless road
Dm **Am**
I ve always felt you deep in my bones

Bb **C**
With every step, I rise and fall
Dm **Bb**
With everything to gain, I end up losing it all

When the darkness gets in
C **Dm**
I scream out and your light sets me free

Bb C

I m tearing down these walls right now
Bb

The way that you re leading me home like that

I m not afraid if I live or die

And I wish that I could give you something in return

Am **Dm**
For the precious time you wasted on the tears, I ve never earned

Bb **C**
For reaching out to help me cross the bridges, I have burned

Bb **C**
And in the end you ll finally see

Dm **Bb**
That baby, I ve done everything I possibly can

Bb **C** **Bb**
I do it again cause I know you re everything that I need
