

Everything Is Permitted
Meat Loaf

G **E7**
Everything is permitted
Am **C** **D** **G**
Ooh ooh, everything is allowed
E7
And all our gods, we have outwitted
Am **D** **G**
Ooh ooh, we are running with the crowd

Bm **Em** **C**
And all the clocks are showing zero
D **G**
And all our parents must have fled
Bm **Em** **C**
And we just never had no heroes
B **D** **G**
And all our enemies will soon be stone cold dead

E7
Everything is permitted
Am **C** **D** **G**
Ooh ooh, there is nothing out of bounds
E7
There are no limits or no fences
Am **D** **G**
Ooh ooh, there is always some way around

Bm **Em** **C**
And all the compass points are zero
D **G**
And all the navigators fled
Bm **Em** **C**
And we just never had no heroes
B **D** **G**
And all our enemies will soon be stone cold dead

E7
If everything is permitted
Am **C** **D** **G**
Ooh ooh, if nothing ever is taboo

Then there is always something shattered

D

Ooh ooh, when there is something breaking through
