

## Everything Louder Than Everything Else Meat Loaf

Everything louder than everything else: Meat Loaf

**Bm G A D Bm G D A**  
Wasted youth! Wasted  
**Bm G A D Bm G A D**  
Wasted youth! Wasted youth!

**Bm G A D Bm G D A**  
I know that I will never be politically correct  
**Bm G A D Bm G A D**  
And I don t give a damn about my lack of etiquette  
**Bm G A D Bm G D A**  
As far as I m concerned, the world could still be flat  
**Bm G A D**  
And if the thrill is gone, then it s time to take it back  
**Bm G A G**  
If the thrill is gone, then it s time to take it back

Who am I? Why am I here? Forget the questions, someone gimme another beer  
What s the meaning of life, what s the meaning of it all?  
You gotta learn to dance before you learn to crawl  
You gotta learn to dance before you learn to

**G D**  
crawl

**G A Bm**  
So sign up all you raw recruits  
**D A**  
Throw away those designer suits  
**Bm**  
You got your weapons cocked  
**G A**  
Your targets in your sights  
**D/A A7 G A Bm**  
There s a party raging somewhere in the world  
**D A**  
You gotta serve your country, gotta service your girl  
**Bm G A**  
You re all enlisted in the armies of the night

**Bm G A**  
And I ain t in it for the power  
**Bm G A**  
And I ain t in it for my health  
**Bm F#m Bm**  
I ain t in it for the glory of anything at all

**C** **A**  
 And I sure ain't in it for the wealth  
**Bm** **G** **A** **D**  
 But I'm in it till it's over and I just can't stop  
**Bm** **F#m** **A**  
 If you wanna get it done, you gotta do it yourself  
**G** **D/F#** **Em** **G/D** **A/C#** **A**  
 And I like my music like I like my life

**D** **Gsus2**  
 Everything louder than everything else  
**D** **Gsus2**  
 Everything louder than everything else  
**D** **Gsus2** **A**  
 Everything louder than everything else

**Bm** **Em/B** **A#dim/B** **G/B** **A**  
 Wasted youth! Wasted youth!

**G/B** **A** **Bm**  
 They got a file on me and it's a mile long  
**Em/B**  
 And they say that they got all of the proof  
**A#dim/B**  
 That I'm just another case of arrested development  
**G/B** **A/B**  
 And just another wasted youth

They say that I'm in need of some radical discipline  
 They say I gotta face the truth  
 That I'm just another case of arrested development  
 And just another wasted youth

**A** **G** **D**  
 They say I'm wild and I'm reckless  
**G** **D**  
 I should be acting my age  
**Bm** **F#m**  
 I'm an impressionable child in a tumultuous world  
**C/G** **A**  
 And they say I'm at a difficult stage  
**D** **G**  
 But it seems to me to the contrary  
**D** **A**  
 Of all the crap they're going to put on the page

**B5** **G5** **A5** **D5**  
 That a wasted youth is better by far  
**G5** **A5** **B5** **A5**  
 Than a wise and productive old age

**B5** **G5** **A5** **D5**  
 That a wasted youth is better by far

G5            A5            B5    D5  
 Than a wise and productive old age

B5    G5            A5            D5  
 That a wasted youth is better by far

G5            A5            G    A  
 Than a wise and productive old age

Bm                            G                            A                            D  
 If you want my views of history then there s something you should know

Bm                            G                            A                            D  
 The three men I admire most are Curly, Larry and Mo!

Bm                            G                            A                            D  
 If you don t worry bout the future, sooner or later it s the past

Bm                            G                            A                            D  
 And if they say the thrill is gone, then it s time to take it back

Bm                            G                            A                            D  
 If the thrill is gone, then it s time to take it back

So sign up all you raw recruits, throw away all those two-bit suits  
 You got your weapons cocked, your targets in your sights  
 There s a party raging somewhere in the world  
 You gotta serve your country, gotta service your girl  
 You re all inducted in the armies of the night

And I ain t in it for the power, and I ain t in it for the health  
 I ain t in it for the glory of anything at all  
 And I sure ain t in it for the wealth  
 But I m in it till it s over and I just can t stop  
 If you wanna get it done, you gotta fight for yourself  
 And I like my music like I like my life

Everything louder than everything else
