 A
I can t stand to see it no more
 D/F# E
The way you re living with a goddess but you treat her like a slave
 A
And you can t hold it back anymore
 D/F# E
She s like a dreamer in a dungeon or an angel in a cave

 C#m
And I ll be closer to you now than any other boy
 D
And you know that what I m saying is true
 A D/F#
You re gonna break her up and tear her down and fade her away
 D E
And then there s no telling what I m gonna do

 G#m
I ll make you pay for everything that you do
 Bm
I ll make you pay for everything that you do

 A
But if you give me a girl
 F#m
And then you give me your trust
 D E
And if you give me till the end of the night
