

**Not A Dry Eye In The House**  
**Meat Loaf**

*Chorus:*

**C**

Not a dry eye in the house

**Am**

After love s curtain comes down

**F**

Listen and you ll hear the sound

**G C**

Hear the sound of a heart breaking

**F**

I can still see you standing there

Midnight wind blowing thorough your hair

**Am**

Remember kisses sweet in the salty air

**F Dm C**

When love was forever

**F**

Turn the page and we fade to blue

The scene has changed, now I m without you,

**Am**

Well you just walked away when the act was through

**F G**

And the dream was over

Pre-Chorus

**F**

It was almost like a movie

The way you said goodbye

After love s curtain comes down

Listen and you ll hear the sound

But now the story s done, it s just history

**F**

**Dm**

**C**

The last act is over

**G**

End of show - It s over

Those nights we touched the stars

Listen and you ll hear the sound
