I ve been trying for hours just to think of what exactly to say
I thought I d leave you with a letter or firey speech
Like when an actor makes an exit at the end of a play

And I ve been dying for hours
Trying to fill up all the holes with some sense
I d like to know how you faded and you threw it away
I d like to give you all the reasons and what everything meant

Well I could tell you good-bye or maybe see you around
With just a touch of a sarcastic thanks

We started out with a bang and at the top of the world
Now the guns are exhausted, the bullets are blanks

And everything s blank

If I could only find the words then I would write it all down
If I could only find a voice I would speak
Oh, it s there in my eyes so can t you see me tonight

Bbm **Ab** **Db**
C mon and look at me and read em and weep

If I could only find the words then I would write it all down
If I could only find a voice I would speak
Oh, it s there in my eyes so can t you see me tonight
C mon and look at me and read em and weep

Now the present is nothing but a hollowed out dream
