

Sailor To A Siren
Meat Loaf

Intro: Em D

Em D Em C
Long distance calling, in the middle of a rainy night
Am Em D Em
So much static, hardly knew your voice
D
And you've been crying, want me to love you like I did before
C G D Em
Oh, when it comes to you, you know I've got no choice

Am
You put a storm inside me
D Em C
I wanna head for a safer harbour
G
They all tell me I should give you up
D C
But no man could've tried any harder
Am
Feels like an odyssey
B Em
That's never gonna reach an end
Am
Every time I hear you calling me
B
Just wanna feel you in my arms again

Em C
Like a sailor to a siren
D Em
Like a moth to a flame
C G
I know your love might be the death of me
Am B
But I run to you just the same
Em C
Like a sailor to a siren
D A

Nothing s gonna keep us apart

C **Em**

Crashing over the wreckage

B **Em**

Of all the sailor s broken hearts

Em **D** **Em**

Must a met you, when we were living in another time

C **Am** **Em** **D** **Em**

Had nothing but the jealous gods to point our way

D

When men were sailors, and a woman was a rocky shore

C **G** **D** **Em**

Wailing like a siren, leading him astray

Am

I ve got another woman

D **Em** **C**

And I know you ve got another man

G

They all tell me I should give you up

D **C**

But I don t think that any mortal can

Am

Feels like an odyssey

B **Em**

That s never gonna reach an end

Am

Every time I hear you calling to me

B

Just wanna feel you in my arms again

Em **C**

Like a sailor to a siren

D **Em**

Like a moth to a flame

C **G**

I know your love might be the death of me

Am **B**

But I run to you just the same

Em **C**

Like a sailor to a siren

D **A**

Nothing s gonna keep us apart

C **Em**

Crashing over the wreckage

Of all the sailor s broken hearts

Bridge :

Gonna abandon ship, steal you from the cliff
Em D
Take you to a place where the gods can't find us no more
Am G D Em
Let the sailors listen to the sirens if they dare
A D
Gonna be dancing on the water, drowning in your yellow hair

Lead Break: Em C Em C Em A Em D Em C D Em A B

Em C
Like a sailor to a siren
