

The Future Aint What It Used To Be
Meat Loaf

rd Fret

Intro: G C G C Cm

G

I never knew so many bad times

Bb

Could follow me so mercilessly

F

It s so surreal, all the pain that I feel

C

Eb

G

The future ain t what it used to be

It doesn t matter what they re thinking

Bb

It doesn t matter what they re thinking of me

F

It s always so cold and I m too young to be old

C

Eb

G

The future ain t what it used to be

C

G

Ooh, were there ever any stars in the sky?

D

G

And did the sun ever shine so bright?

C

G

Ooh, do you have any dreams I can borrow

D

G

Just to get me through the lonely nights?

Bb

F

Is there anything left to hold on to

C

G

Bb

When the rivers wash it all away? (wash it all away)

F

Is there anyone left to hold on to?

C

D C Bm

Am G

Is there anything left I can say_____?

Em **C**
Say a prayer for the fallen angels
 Am **G**
Stem the tide of the rising waters
 Em **C**
Toll a bell for the broken hearted
 Am
Burn a torch for your sons and daughters

G **Em**
The endless night has got a hold of me
C **Am**
Dark days are pulling me forward
 G **Em**
And all these years are washing over me
 C **Am**
And I m crying - I m lost forever
 G
In a future that ain t what it used to be
 C
A future that ain t what it used to be
 G N.C. **G**
A future that ain t what it used to be - no more
 C
(no more, no more, no more) no more

G
It s like a storm that s never ending
 Bb
It s like a shadow on the land and the sea
 F
There s nothing as sad as a tomorrow gone bad
 C **Eb** **G**
The future ain t what it used to be, come on

G
Some days I feel so numb and empty
 Bb
And those would be the good days for me
 F
Nothing gets to me now, unless I m thinking of how
 C **Eb** **G**
The future ain t what it used to be

C **G**
Ooh, were there ever any stars in the sky?
 D **G**
And did the sun ever shine so bright?

C **G**
Ooh, do you have any dreams I can borrow
D **G**
Just to get me through the lonely nights?

Bb **F**
Is there anything left to hold on to
C **G** **Bb**
When the rivers wash it all away? (wash it all away)
F
Is there anyone left to hold on to?
C **D C Bm** **Am G**
Is there anything left I can say_____?

Em **C**
Say a prayer for the fallen angels
Am **G**
Stem the tide of the rising waters
Em **C**
Toll a bell for the broken hearted
Am
Burn a torch for your sons and daughters

G **Em**
The endless night has got a hold of me
C **Am** **G**
Dark days are pulling me forward
Em
And all these years are washing over me
C **Am**
And I m crying - I m lost forever
G
In a future that ain t what it used to be
C
A future that ain t what it used to be
G **N.C.** **G**
A future that ain t what it used to be - no more
C
(no more, no more, no more no more, oooh)
G
No more (no more, no more, no more, no more)
C **Am** **G** **D** **Eb** **Dm** **G** **C**
No more, no more, no more, no more

G **C** **G**
The future just ain t what it used to be
C **G**
The future just ain t what it used to be
C **G**

The future just ain t what it used to be

C

Oh, the future just ain t what it used to be

G

(The future just ain t what it used to be no more)

C

Oh, the future just ain t what it used to be

G

(The future just ain t what it used to be no more)

C

Hmmm, the future just ain t what it used to be

G

(Aaah, the future, the future, the future, the future)

C

Oh, the future, the future, the future just ain t what it used to be

G

(the future just ain t what it used to be)

C

Oh, future just ain t what it used to be

C

G

Aaaaah, the future just ain t what it used to be

The future...

C

I wish it wouldn t come

I wish it wouldn t come

G

I wish it wouldn t come, but it always does
