Meat Loaf - Why Isn't That Enough?

*st Fret*

*Intro:* **G C G C G C D G**

**C G**  
I don't know how I can do this  
**C D**  
What am I supposed to say?  
**C G Em**  
You have been my dream for so long  
**C D**  
Now that dream is slipping away

**C Em**  
I don't want to let you go  
**C Em**  
It's only that I know I must  
**C Em D**  
I can hardly get the words out  
**C G**  
Baby, is this the end of us?

*Chorus:*

**G C**  
You know that I want you  
**G C**  
You know that I need you, baby  
**G Em**  
You know that I love you  
**C D G Em C D G**  
So why isn't that enough?

**C G**  
I've been sleeping in the daytime  
**C D**  
I've been weeping at the scene  
**C G Em**  
Wishing you would haunt me  
**C D**  
And you'd tell me this was all a dream

**C** **Em**  
 Wishing you were here beside me  
**C** **G** **Em**  
 What I'd give to hold you tight  
**G** **C** **G** **Em**  
 But nothing I can do or say  
**C** **Em7** **Esus4**  
 Will change the truth tonight

Chorus:

**G** **C**  
 You know that I want you  
**G** **C**  
 You know that I need you, baby  
**G** **Em**  
 You know that I love you  
**C** **D** **G**  
 So why isn't that enough?

**Em** **D**  
 If I want you, and I need you, and I love you  
**C** **D** **G**  
 And I want that to be enough  
**Em** **D**  
 Yes I want you, and I need you, and I love you  
**C** **D** **G**  
 And I want that to be enough  
**Em** **D**  
 Yes I want you, and I need you, and I love you  
**C** **D** **G**  
 And I want that to be enough  
**Em** **D**  
 Cause I want you, and I need you, and I love you  
**C** **D** **Am** **Bm** **C** **D** **G**  
 And I want that to be enough

 Baby, is this the end of us?

I wish it was enough
