E A E D  
It was a hot summer night and the beach was burning

E A E  
There was fog crawling over the sand

E A E D  
When I listen to your heart I hear the whole world turning

G5 B5 C#5 D5 E5 A5  
I see the falling stars falling through your tremblin hands

D5  
You were licking your lips and your lipstick shinin

A5 D5  
I was dyin just to ask for a taste

A5 D5  
We were lyin together in a silver lining

G5  
By the light of the moon

B5 C#5 D5 E5  
You know there s not another moment

B5 C#5 D5 E5 B5 C#5 D5 E5 A5  
Not another moment, not another moment to waste

Bm F#m G A  
Well you hold me so close that my knees grow weak

Bm D A  
But my soul is flying high above the ground

Bm F#m G A  
I m trying to speak, but no matter what I do

F#m E  
I just can t seem to make any sound

**D**

**A**

And then you took the words right out of my mouth

**G**

**A**

Oh, it must have been while you were kissing me

**D**

**A**

You took the words right out of my mouth

**B5 C#5 D5**

Oh, and I swear it s true

**E5 F#5 G#5 A5 C#5 D5 F#5 E5**

I was just about to say I love you (Love you)

Now my body is shaking like a wave on the water

And I guess that I m beginning to grin

We re fin ly alone and we can do what we want

The night is young, ain t no-one gonna know where you

No-one gonna know where you

No-one gonna know where you been
