Tuning: Standard

Beautiful song from Rise To Your Knees!

(I m pretty sure the lyrics aren t 100% correct, but I can t really figure it out)

Intro: **A G G G (x4) A**

D **A** **G** **D**
Someday on the moonwalk everything was right

D **A** **G** **D**
Bounced on the onfloat history of life

D **A** **G** **G**
Somewhere in the afterglow peeling it fell

D **A** **G** **G G G**
And it s good to see the happiness so far

D **A**
You re the grass, you re the trees

G **D**
You re the thing that makes the wind

D **A**
You re the roots of the sky

G **G G G**
You re an island

D **A**
You never move, you never sleep

G **D**
You re the thought I cannot keep

D **A**
You re a denessen of the deep

G **G G G A**
You re an island

D **A**
Always in the never glades

G **D**
Purple wings in five

D **A** **G** **D**
Predators in a picture, golden eyes and I

D A G G
Somewhere in the afterglow peeling it fell
D A G G G G
Where it s coming from no one can ever tell

D A
You re the grass, you re the trees
G D
You re the thing that makes the wind
D A
You re the roots of the sky
G G G G
You re an island

D A
You never move, you never sleep
G D
You re the thought I cannot keep
D A
You re a denessen of the deep
G G G G A
You re an island

D A G D
Somewhere on the earth now everything is cool
D A G D
Drinking from the overflow splash becomes a pool
D A G G
Always in the after glow peeling it fell
D A G G G G
Where it s coming from no one can ever tell

D A
You re the grass, you re the trees
G D
You re the thing that makes the wind
D A
You re the roots of the sky
G G G G
You re an island

D A
You never move, you never sleep
G D
You re the thought I cannot keep
D A
You re a denessen of the deep
G G G G
You re an island

D A
You never move, you never sleep
G D

You re the thought I cannot keep

D **A**

You re a denessen of the deep

G **G G G**

You re an island

D **A**

You re the moon, you re the glass

G **D**

Down stone the donkeys ass

D **A**

Up above the heavens laugh

G **G G G A**

You re an island
