Pictures In The Sky
Recorded by Medicine Head

Requested by Neil

4/4

Rhythm = 12 bar blues riff

In the key of F# although I've heard it played in F and because John Fiddler played open tuning for the slide parts the tuning may be slightly out.

Metronome = 112 approx

Intro

B F# B F# C# B F#

Ooh ooh ooh

Verse 1

F#

With my boots on my feet

B F#

And my hat in my hand

B F#

I started out to travel across this land

C#

And the stars were my chart

B F#

Birds were my rock and roll band

Verse 2

F#

The roads they weren't long

B F#

And my heart felt the new sweet song

B F#

The trees and the sun just helped my love along

C#

And the pictures in the sky

B F#

Helped my soul get high
