

The Start Of It Meese

F
Is this the start of it?
F
has this become a part of it?
Am Dm Am
maybe we should ve slowed down
F
it was the taste of it
F
and this is how we wasted it
Dm Am F
maybe we ll get it back somehow

F
it made me furious
F
you said that if we bury this
Am Dm Am
never could dig up the past
F
i couldn t handle it
F
i thought i could dismantle it
Dm Am F
maybe somethings weren t meant to last

F Am Dm
kids of the frozen front range
Dm Am F
carry the message if i fall
F
tell them we re moving on
Dm
sorting out who our enemies are

F
i ve seen it, you say i don t believe it
it s either or...

F C F Am
tell me it s over or everything you hoped for
F C F Am F
tell me either way, i know you know i never let this go

F
you ve got the upper hand
F

wrapped tight around my neck again

Am Dm Am

and i can t get the words out

F

if you were listening

F

you d hear the voice or reasoning

Am Dm Am F

telling you walk away from this somehow

F Am Dm

kids of the frozen front range

Dm Am F

carry the message if i fall

F

tell them we re moving on

Dm

sorting out who our enemies are

F

i need this, you can t deny you feel it

it s either or...

F C F Am

tell me it s over or everything you hoped for

F C F Am F

tell me either way, i know you know i never let this...

F C F Am

tell me it s over or everything you hoped for

F C F Am F

tell me either way, i know you know i never let this go

o.k. in the first degree

there s nothing wrong with me
