

The Start Of It
Meese

G
Is this the start of it?
G
has this become a part of it?
Bm Em Bm
maybe we should ve slowed down
G
it was the taste of it
G
and this is how we wasted it
Em Bm G
maybe we ll get it back somehow

G
it made me furious
G
you said that if we bury this
Bm Em Bm
never could dig up the past
G
i couldn t handle it
G
i thought i could dismantle it
Em Bm G
maybe somethings weren t meant to last

G Bm Em
kids of the frozen front range
Em Bm G
carry the message if i fall
G
tell them we re moving on
Em
sorting out who our enemies are

G
i ve seen it, you say i don t believe it
it s either or...

G D G Bm
tell me it s over or everything you hoped for
G D G Bm G
tell me either way, i know you know i never let this go

G
you ve got the upper hand
G

wrapped tight around my neck again

Bm Em Bm

and i can t get the words out

G

if you were listening

G

you d hear the voice or reasoning

Bm Em Bm G

telling you walk away from this somehow

G Bm Em

kids of the frozen front range

Em Bm G

carry the message if i fall

G

tell them we re moving on

Em

sorting out who our enemies are

G

i need this, you can t deny you feel it

it s either or...

G D G Bm

tell me it s over or everything you hoped for

G D G Bm G

tell me either way, i know you know i never let this...

G D G Bm

tell me it s over or everything you hoped for

G D G Bm G

tell me either way, i know you know i never let this go

o.k. in the first degree

there s nothing wrong with me
