

Bored Of Your Love

Meg & Dia

okay so i did this based on listening the song carefully,
so sorry if its a little off.lol and i couldn t find the
lyrics anywhere, so some of the lyrics are a little off.

Intro:**C G C F Gm**

Did you think about what i said last night
knowing you, you probably didnt
i can picture your face on the other side
completely oblivious
Do you really feel like this love is for real
i wish i could join you

Chorus(Dia):**C G C G C**

I m bored of your love
i m bored of your face,
i m bored of your intimateness all over the place
attitude, i m bored of you

Verse:**C G C F Gm**

So i thought about what you said last night
normally i, i probably wouldn t
but something you said kept me up all night
i tried to sleep, but i just couldn t
i hope you still feel like this love is for real, cuz i know that i do

Chorus(Tom):**C G C G C**

I m in love with your love
I m in love with your face
In love with almost everything that you say
yes its true, i m in love with you

Chorus(Dia):**C G C G C**

I m bored of your love
i m bored of your face,
i m bored of your intimateness all over the place

attitude, i m bored of you
