

Nineteen Stars

Meg & Dia

F

Don t tell me you re done for

Bb

I don t need to hear you re done for

Dm

You can tell me what you are running from

Bb

I need you more than you need you

F

I can see you re really really running

Bb

Can I ask you where you re gonna run to?

Dm

And you think you re really really funny

Bb

I don t think you re funny but you do

Dm

C

We all feel like we re breaking sometimes

Bb

I won t give you up tonight

F

Dm

Stay awake. Stay awake. Sur-vive

I ve got nineteen stars that

Bb

C

F

I Gave your name to-night

Dm

I wanna scream, wanna scream your name

Bb

Starlight, starbright can save

C

F

You re my wish to-night

F

Don t tell it doesn t matter

Bb

I ll tell you what matters

Dm

Bare feet in the summer

Bb

Open windows at night

F

You think that no one needs you

Bb

You have nothing to see through

Dm

Well I need you.

Bb

Don't I count let's fight

Dm

C

Show me anger fierce fists clutching onto air

Bb

Show me anything just show me you care

F

Dm

Stay awake. Stay awake. Sur-vive

I've got nineteen stars that

Bb

C

F

I Gave your name to-night

Dm

I wanna scream, wanna scream your name

Bb

Starlight, starbright can save

C

F

You're my wish to-night

Dm

No one can catch me the way that you

Bb

catch me the way that you keep me when I'm out of

F

sight What if I need you when I can't

C

see you? I'm running out of life

Dm

No one can catch me the way that you

Bb

catch me the way that you keep me when I'm out of

F

time What if I need you when I can't

C

see you? I'm running out of life

Dm, Dmaj

G

Em

Please stay awake. Stay awake. Sur-vive

I've got nineteen stars that

C

D

G

I Gave your name to-night

Em

I wanna scream, wanna scream your name

C

Starlight, starbright can save

D

You re my wish

C **D**

You re my wish my wish

C **D** **G**

You re my wish to-night
