

Seeing Stars

Meg Hutchinson

This is my first time submitting anything so I apologize because the E chords might not be exactly correct but they re close. Enjoy this beautiful song!

Capo 6th fret

C

Bugs out on the water, make it look like rain

C

Leaves on every tree, once again turning

Am

Summer s past but it s never far

G

If you look real close you might see scars

F

G

C

But me, yeah me I m only seeing stars

C

Evening light, on a gravel path

C

I could be scared but I ve had enough of that

Am

Oh, big old moon, rising up

G

Even in this light you might see scars

F

G

C

But me, yeah me I m only seeing stars

Am

When they take everything and you ve got nothing left

Am

A deer in the headlights in your hospital bed

G

E

Just dreaming of a simple life

E

A gentle man, a solid night

Am

Me and the dog, down at the reservoir

G

If you look real close you might see scars

F

G

C

But me, yeah me I m only seeing stars

Am

G

E7

Ah... Ah... Ah...

C

Seems all your songs are about leaving

C

Seems both your hands are about now

Am

Geese up in the sky, home through the dark

G

If you look real close you might see scars

F

G

C

But me, yeah me I m only seeing stars

F

G

C

Me, yeah me I m only seeing stars
