

## Give Me My Name Back

Meg Mac

Give Me My Name Back (single) - Meg Mac (2018)

Meg played the chorus of this song on piano on an Instagram story, so I adapted those chords (Em, C, G, D) to the whole song. If you listen to the background piano chords in the chorus, it ll make it easier to get the timing right in the chorus :)

[Verse 1]

**G** **D** **Em**  
Afraid of the moment  
**G** **D** **Em**  
Have I forgotten the way to fit in?  
**G**  
Drink it all up, they say  
**D** **Em**  
Drink it all up before it s gone  
**G** **D** **Em**  
But I ma rest up cause I got a long way to go home  
**G** **D** **Em7**  
But I can t go home without it  
**G** **D** **Em7**  
But I can t go home without it

[Chorus]

**G** **D** **Em**  
Give me my name back  
**G** **D** **Em**  
Give me my name back

[Verse 2]

**G** **D** **Em**  
I guess I m gonna watch them all fall behind  
**G** **D** **Em**  
Cause I know wherever I go, wherever I go  
**G**  
They say drink it all up , they say  
**D** **Em**  
Drink it all up before it s gone  
**G** **D** **Em**  
But I ma rest up cause I got a long way to go home  
**G** **D** **Em7**  
But I can t go home without it  
**G** **D** **Em7**  
But I can t go home without it
