

Take My Heart
Meg Short

[Verse 1]

F **Am/E** **Bb**
Long lonely void and you filled in the spaces.
F **Am/E** **Bb**
Searching for light you searched in the dark places.
C **F** **C** **Bb**
The wisdom is when thereâ€™s no more daylight
Am7 **Dm7** **Gm7** **Csus4 C**
the soft glow of the moon can light the night.

F **Am/E** **Bb**
Look up at the sky to see a storm is passing
F **Am/E** **Bb**
Searching for signs that love can be long lasting
C **F** **Bb**
Looking up at a sky once bleak
Am **Dm** **Gm**
We donâ€™t like to show our side thatâ€™s weak.

[Pre-chorus]

Gm **Am**
But chances donâ€™t last forever,
Bb **Am**
Is it a risk we should take?
Gm **Am** **Bb** **C**
Maybe weâ€™ll be each otherâ€™s best mistake.

[Chorus]

F **Am7** **Dm**
Iâ€™m floating on a cloud I canâ€™t see through.
Bbm **F**
Iâ€™ll need a little time to adjust to you.
Am7 **Dm**
Afraid to love, afraid to fall,
Bbm **F**
Afraid to sacrifice my heart at all.
Am7 **Dm**
Take my heart but if you do,
Bbm **F Am Bbmaj9**
first be sure that itâ€™s enough for you.

[Verse 2]

F **Am/E** **Bb**
I only saw gray and you showed me a rainbow.

F **Am/E** **Bb**
 You entered my world and light replaced the shadow.
C **F** **Bb**
 So afraid I would be betrayed,
Am **Dm** **Gm**
 Fearing that you wouldnâ€™t want to stay.

F **Am/E** **Bb**
 I look in the mirror; the person that I see.
F **Am/E** **Bb**
 A stranger behind the glass stares back at me.
C **F** **Bb**
 All this pain seems to be erased
Am **Dm** **Gm** **C**
 I can hardly recognize her face.

[Pre-chorus]

Gm **Am**
 Youâ€™re the last thing her heart expected.
Bb **Am**
 Now she looks more alive
Gm **Am**
 Itâ€™s like she has been infected
Bb **C**
 by your heart and your mind.

[Chorus]

F **Am7** **Dm**
 Sheâ€™s floating on a cloud she canâ€™t see through,
Bbm **F**
 but clear all the fog and she belongs to you.
Am7 **Dm**
 She wants to love and she will fall
Bbm **F**
 but first youâ€™ll have to break down all her walls.
Am7 **Dm**
 Take my heart but if you do,
Bbm **F** **Am** **Bbmaj9**
 first be sure itâ€™s not too much for you.

[Bridge]

Am **Dsus** **Dm7**
 Does all love end in trage-dy?
Gm **C** **C7**
 If all love is doomed to failâ€¦
Dm **Dmaj** **Bb**
 then letâ€™s keep living out a fantasy,
C7 **F** **A** **Bb** **Db** **Db7**
 a place where dreams prevail.
