intro: **D C A** x 4

verse

D C A
Too many problems oh why am I here
I don t need to be me cos you re all too clear

What do you expect me to do
At least I gotta know what I wanna be
Don t come to me if you need pity
Are you lonely you got noone
You got your body in suspension

Eat your heart out on a plastic tray
You don t do what you want then you fade away
You won t find me working 9 to 5
Too Much fun being alive
I m using my feet for my human machine
You won t find me living for the screen
Are you lonely all needs catered
You got your brains dehydrated

I m a death trip I ain t automatic
You won t find me just staying static

Bet you thought you solved all your problems
But you are the problem
