Things I wanna see

That I havenâ€™t seen before

And now I m free - ee

**C F**

To be with you

**Em F Em**

Never let me be - ee

[Chorus]

So I m trying to swim out in the ocean

**F Em G**

Just me myself and the breeze

**Em**

I m trying to swim out in the ocean

**F**

â€™cause I be-lieve

**G Em C Em**

Every thing you told me to be-lieve

**Am**

Oh I believe

Oh I believe

**C**

Oh I believe

[Verse]

**Em**

I don't know why

**Am**

Its past me by

so many times before

**C Em**

But when I looked into your eyes

**Am**

I fell for all your lies

**Em**

And I m not falling anymore

[Pre Chorus]

**F C G**

â€˜cause I am free - ee

**F**

To be with you

**G**

Never let me be

[Chorus]

**Em C Em**

So I m trying to swim out in the ocean

**F G**

Just me myself and the breeze

**C Em**

I m trying to swim out in the ocean

**F C Em**

â€˜cause I believe

**G C F**

Every thing you told me to believe

**Em**

Oh I believe

**F**

Oh I believe

**Em**

Oh I believe

[Bridge]

**Am C Em**

I don't know if you can hear me

**F G**

But I see things so clearly

Its funny I have never felt so free

**C** **Em**

Oh I m trying to swim out in the o-cean

**F** **G**

Just me myself and the breeze

**C** **Em**

I m trying to swim out in the o-cean

Every thing you told me to believe

**Em**

Oh I believe

**F**

Oh I believe

**Em**

Oh I believe

**C**

Oh I believe
