I don t really wanna hear excuses  
From you, about why you are late  
And I don t really wanna see that look  
That you give, when you re tryin to get your last trade  
And I don t ever wanna smell perfume  
On your covers that I don t even wear  
And I don t ever wanna feel so stupid  
For believing that you really care

So I m done with the yelling and screaming  
Not taking any calls this evening

Won t call you any names, it s a game
