

Back Home

Megan & Liz

* = once

Cadd9

Falling asleep to the sound of the city

G

Gets old sometimes

Cadd9

I just wanna get out, take a drive

G

Ya know, clear my mind

Cadd9

Going a little too fast

G

With my mind off thinking about the past

Cadd9

About a boy that I loved

Dsus4

And we how we came undone

G

Now that Iâ€™m back home

Cadd9

Taking those back roads

Em7

Dsus4

Turning up the memories with the

Cadd9

Dsus4

dust of my tires

G

And after itâ€™s all said

Cadd9

Maybe now weâ€™re done

Em7

Dsus4

If you ever just feel alone

Cadd9

Dsus4

Oooh I know

G

You gotta go back home

Cadd9 G Cadd9

Cadd9

I get lost on every turn now

G

Every day

Cadd9

I m not from around here

G

Iâ€™m from a thousand miles away

Cadd9

I go a little too fast

G

I cant get my head outta the past

Cadd9

Cause thereâ€™s a boy that I loved

Dsus4

And how I wish we didnâ€™t come undone

G

Now that Iâ€™m back home

Cadd9

Taking those back roads

Em7

Dsus4

Turning up the memories with the

Cadd9

Dsus4

dust of my tires

G

And after itâ€™s all said

Cadd9

Maybe now weâ€™re done

Em7

Dsus4

If you ever just feel alone

Cadd9

Dsus4

Oooh I know

Em7 Dsus4 Cadd9 Cadd9

You gotta go back home

Em7 Dsus4 Cadd9 Cadd9

You gotta go back home

Yeah

Em7

I know I know

Dsus4

Cadd9

Dsus4

Iâ€™m where I m supposed to be

Em7

I know I know

Dsus4

Cadd9

Cadd9

I know Iâ€™m happy

Dsus4

Living my dreams

G

But when I go back home

Cadd9

I think of those back roads

Em7 **Dsus4**
