

You re my best friend

**Em7**

You know everything about me,

**Cadd9**

You don t care if I m a mess

**G**

Even when I m not my best

**Dsus4**

You make me better

**Em7**

I couldn t ask for anything more,

**Cadd9**

You never give any less

**G**

I ve got a lot to say,

**Dsus4**

And you ll listen

When I go away,

**Em7 Cadd9**

You re still missing me, missing me

**G**

We lay around the house doin nothing

**Dsus4**

**Em7**

But you ve got a way of makin it something

**Cadd9**

I ve never felt before

**Em7**

**Cadd9**

**G**

And they don t make boys like you anymore

**Dsus4**

Boys like you

**Em7**

Do do doo doo doo

**Cadd9**

Boys like you

**Em7**

We meet a thousand people

**Cadd9**

Every single day

**Em7**

And there s a million reasons

**Cadd9**

Why you shouldn t stay

**Em7\***

**Cadd9\***

But some things are meant to be

**Em7\***

**Cadd9\***

We re one in infinity

**G\***

You got a lot to say,

And I listen

Dsus4\*

When you go away,

Em7\*

Cadd9

I ll be missing you, missing you

**G**

We lay around the house doin nothing

**Dsus4**

**Em7**

But you ve got a way of makin it something

**Cadd9**

I ve never felt before

**Em7**

**Cadd9**

And they don t make love like this

**Em7**

**Cadd9**

**G**

No they don t make boys like you anymore

**Dsus4**

Love like this

**Em7**

Boys like you

Cadd9\*

Do do doo doo doo
