Intro: **Em7 Cadd9 G D/F#**

**Em7** **Cadd9**  
Too many memories and phone calls  
**G** **D/F#**  
Too many pictures of you on the walls  
**Em7** **Cadd9** **G** **D/F#**  
And not enough of you in my arms, whoa

**Em7** **Cadd9**  
I count the seconds with my heartbeat  
**G** **D/F#**  
I close my eyes and see you here with me  
**Em7** **Cadd9** **G**  
I feel the miles standing in between  
**D**  
Iâ€™m still alone and

**G\*** **Em7\***  
Days go by  
**Cadd9\*** **D**  
Are we getting closer to a  
**G\*** **Em7\***  
better life?  
**Cadd9\*** **D**  
I canâ€™t say â€˜I love youâ€™ through a  
**Em** **D**  
million wires  
**G** **D/F#** **Am7**  
So tell me when will you be  
**D**  
closer to me?

**G** **D** **C**  
 You take the biggest part of me with you
