Capo 5

**A**

She's the kind of girl you marry,

**Dadd9**

And I'm the kind you don't.

**A**

She's the one you wanna carry

**Dadd9**

**E**

Into your brand new home.

**F#m7**

After your honey moon right

**E**

She looked better in white

**Dadd9**

**A**

Than I ever could

**D**

But, she won't love you like I would

**A**
