Capo 2

Gsus7: xx0032

D Gsus7
I wrote you a letter,
D Gsus7
Saying how I couldn't do better.
D Gsus7
And that's when you told me,
D
That you weren't over me.

Gsus7 And now I can't believe
Em
What I heard today
G
And that you would say
D **A** **Em**
All those things because you felt bad for me.
G **D** **A**
But really, truly and honestly.

D
We're over, it's done.
A **Em**
You've hit the homerun because
G
I, I'm never gonna miss you.
D **A**
And I can see,

Em
That that's who you wanna be.
G **D** Gsus7
So go ahead and be him without me.

D Gsus7
I started to realize
D Gsus7
All the effort put into us
D
Was on one side.
