

**Karmas Coming Back For Me
Megan & Liz**

Capo 6

Em7 Dsus4 G Cadd9

I never caught you
in the arms of someone else
You never told me
not to be myself
So why did I choose to say goodbye
I never had a reason why

Em7 Dsus4 Cadd9 Dsus4

What goes around
Comes around
So what does that mean for me?

Em7 Dsus4 G Dsus4

What goes around
Comes around
So what does that mean for me?

Cadd9 G Em7 Dsus4

I should ve known
I feel it in my bones
Karma s coming back for me
I made it so
Karma s coming back for me
See you sitting there falling apart
Didn t mean to take a piece of your heart
I should ve known
It s breaking every bone
Karma s coming back for me
for me
for me

Em7 Dsus4 G Cadd9

I never thought
that you could be the one
told you that I loved you
I m not sorry that we re done
I should ve cried more
I could ve slammed more doors
but it didn t play out that way
now I don t know what else to say

Em7 Dsus4 Cadd9 Dsus4

What goes around
Comes around
So what does that mean for me?

Em7 Dsus4 G Dsus4

What goes around
Comes around
So what does that mean for me?

Cadd9 G Em7 Dsus4

I should ve known
I feel it in my bones
Karma s coming back for me
I m all alone I made it so
Karma s coming back for me
See you sitting there falling apart
Didn t mean to take a piece of your heart
I should ve known
It s breaking every bone
Karma s coming back for me

Cadd9 G Em7 Dsus4

Oh so what does this mean when you re talking bout me
seven years down the road
when i think he s the one will he turn around and run
will I decide to be alone

Em7 Dsus4 Cadd9 Dsus4

What goes around
Comes around

Em7 Dsus4 G Dsus4

What goes around
Comes around
So what does that mean for me?

Cadd9 G Em7 Dsus4

I should ve known
I feel it in my bones
Karma s coming back for me
I m all alone I made it so
Karma s coming back for me
See you sitting there falling apart
Didn t mean to take a piece of your heart
I should ve known
It s breaking every bone
Karma s coming back for me
Oh for me

Em7 Dsus4 G Cadd9

I shouldâ€™ve cried more
I couldâ€™ve slammed more doors
Karmaâ€™s coming back for me
