

**Like I Would**  
**Megan & Liz**

Capo 6

[Intro] (x2)

**Cadd9 G**

[Verse 1]

**Cadd9 G**

She is a pageant queen

**Cadd9 G**

With over 20 titles to her name

**Cadd9 G**

But hereâ€™s the funny thing

**Cadd9 G**

Sheâ€™s not a day older than 18

**Cadd9 G**

See I have bigger dreams

**Cadd9 G**

Than living in this town

**Cadd9 G**

Iâ€™m not a beauty queen

**Cadd9 G**

I would stay but I donâ€™t wanna drown

[Pre-Chorus]

**Em7 G**

But then thereâ€™s you

**Cadd9**

You wonâ€™t dream that big

**D**

And thatâ€™s why

[Chorus]

**G**

Sheâ€™s the kind of girl you marry,

**Cadd9**

And Iâ€™m the kind you donâ€™t.

**G**

Sheâ€™s the one you wanna carry

**Cadd9 D**

Into your brand new home.

**Em7**

After your honey moon right

**D**

She looked better in white

**Cadd9 G**

Than I ever could

**Am C\* G**

But, she wonâ€™t love you like I would  
**Cadd9**

[Verse 2]

He is the basketball star  
The captain of the team  
And itâ€™s so sad to think  
That itâ€™s the only place heâ€™ll take his dream  
In 20 years from now  
When heâ€™s married to his beauty queen  
Heâ€™ll look down at his baby  
Is this as perfect as it seems?

[Pre-Chorus]

**Em7 G**

But then thereâ€™s you

**Cadd9**

You wonâ€™t dream that big

**D**

And thatâ€™s why

[Chorus]

**G**

Sheâ€™s the kind of girl you marry,

**Cadd9**

And Iâ€™m the kind you donâ€™t.

**G**

Sheâ€™s the one you wanna carry

**Cadd9**

Into your brand new home.

**D Em7**

After your honey moon right

**Cadd9**

She looked better in white

**G**

Iâ€™ve ever had to do

**G**

Sheâ€™s the kind of girl you marry,

**Cadd9**

And Iâ€™m the kind you donâ€™t.

**G**

Oooooâ€¦ But Iâ€™m just not right for you

[Chorus]

Sheâ€™s the kind of girl you marry,
