

Maybe Possibly
Megan & Liz

Em **C**
We broke up, and now I m just waiting for you
G
To wake up, and realize that this is all you
D
And what you re putting me through
Em **C** **G**
Believe me when I say, you re gunna regret it,
D (one strum down)
You ll see

(CHORUS)

G **D** **Em**
C
That Maybe, Possibly I was the best I don t compare to the rest
G **D** **Em**
C **G** **D**
And maybe, possibly you make me aware of everything I say and do
Em **C** (one strum down)
And maybe, possibly I still want you

(VERSE 2)

Em **C**
We broke up and now I m just waiting for me
G
To see, the real reality
D
That what we had is only what we used to be
Em **D**
I should ve know better, I could ve done better...
G **C**
I should ve known better, I could ve done better..

(CHORUS)
