Maybe Possibly Megan & Liz

C Em We broke up, and now I m just waiting for you G To wake up, and realize that this is all you D And what you re putting me through G Em Believe me when I say, you re gunna regret it, D (one strum down) You ll see (CHORUS) G D Em C That Maybe, Possibly I was the best I don t compare to the rest G D Em D C And maybe, possibly you make me aware of everything I say and do C (one strum down) And maybe, possibly I still want you (VERSE 2) C We broke up and now I m just waiting for me G To see, the real reality D That what we had is only what we used to be I should ve know better, I could ve done better... I should ve known better, I could ve done better.. (CHORUS)
