|-------------|

C5                            G5      G#5
vienes vendida de viejas venganzas
          A#5              C5
ya convertida en madura mujer
                               G5      G#5
y con el tiempo se queman tus ansias
                G5           C5   A#5
no estés tan segura de tu poder
     G#5              C5     riff 4 A#5
muy poca sera tu esperanza
           G#5             C5 riff 5  A#5
contra la guerra que venceré
    G#5               C5    riff 6  A#5
perdón pedirá tu arrogancia
              G#5               riff 3  C5
tu tienes la culpa eres mala mujer
                G5                G#5
ojo por ojo y diente por diente
         A#5                C5
me amenazaste fue tu perdición
C5                             G5    G#5
y con el tiempo llego tu desgracia
              G5               C5   A#5
de celos y orgullo es tu aguijón
     G#5             C5  riff 4 A#5
muy poca ser tu esperanza
            G#5            C5 riff 5  A#5
contra la guerra que vencere
    G#5               C5   riff 6  A#5
perdón pedirá tu arrogancia
              G#5
tu tienes la culpa eres mala mujer
