F Dm Bb
Lately, I m feeling stupid and crazy
              C
Cause I saw him with his new baby
                   F Dm Bb C
Bb
              C
And he treats her like she s the one
             F
                          Bb
                     Dm
It s not that I want him back, ain t trying to be mean
                  Dm Bb
But I bought him brand new clothes and burned the skinny jeans,
                                        F Dm Bb C
              Dm Bb
But she ll never know that I ve made him better for her
                            Dm
So, give some credit where it s to,
You d prob see you know who
        F
I gave him swag I made him cool,
He used to be a fool
           F
                            Dm
So, give some credit Where it s to,
You d prob see you know who
      F
             Dm
You know who, ooh oh
Give credit where it s to
F Dm Bb C
         С
Oooh he holds her hand at the movies,
                    F Dm
He never stares at the boobies
                 F Dm Bb C
I bet she thinks he s the one
            F Dm Bb
```

She should be thanking me and sending me some flowers

```
Dm
                            Bb
I thought him everything, now he can last for hours
                                C F Dm Bb C
               Dm Bb
But she ll never know that I ve made \lim better for her
So, give some credit where it s to,
You d prob see you know who
I gave him swag I made him cool,
He used to be a fool
So, give some credit where it s to,
     Вb
You d prob see you know who
  F
                 Dm
You know who, ooh oh
Give credit where it s to
                  Dm
Yea, he used to be whack
     Bb
But I made him all that
What should ve you think of my last name
I guess my Trainors where is at
I had him brushed his teeth, and blossomed,
Got him looking like Ryan Gosling
            F
I guess that makes me pretty awesome
     Bb
But I wasn t in love,
    C
So I toss him
             F
So, give some credit where it s to,
You d prob see you know who
         F
I gave him swag I made him cool,
He used to be a fool
So, give some credit where it s to,
You d prob see you know who
