

**Like Im Gonna Lose You**  
**Meghan Trainor**

Primeira Parte:

**C**  
I found myself dreaming  
**Em**  
In silver and gold  
**Am**  
Like a scene from a movie that  
**F Em D5 G**  
Every broken heart knows  
**C**  
We were walking on moonlight  
**Em**  
And you pulled me close  
**Am**  
Split second and you disappeared  
**F Em D5 G**  
And then I was all alone

**C**  
Woke up in tears with you by my side  
**Em Am**  
Breath of relief and I realized  
**F Em D5 G**  
No, we're not promised tomorrow

Refrão:

**C**  
So I'm gonna love you  
**Em**  
Like I'm gonna lose you  
**Am**  
I'm gonna hold you  
**F**  
Like I'm saying goodbye  
**C**  
Wherever we standing  
**Em**  
I won't take you for granted  
**Am**  
Cause we'll never know when  
**F**  
When we'll run out of time
