Shooo   Shooo

C#   **Bbm**   **D#m**   **G#**
 My selfish heart wasn t being no good to you
C#   **Bbm**   **D#m**   **G#**
 At least not the way it intended to, waoh
C#   **Bbm**   **D#m**   **G#**
 Your love was young, but it wound my old soul
C#   **Bbm**   **D#m**   **G#**
 When I said goodbye I wasn t ready, no no

                   C#   **Bbm**
But I don t wanna waste your time
                        D#m   **G#**
No, you deserve to find the love of your life
                        C#   **Bbm**
One day you ll marry such a lovely wife
     D#m   **G#**
And hopefully we ll be fine!

                   C#   **Bbm**
But baby let s keep in touch, ooh
      D#m   **G#**
 Cause I m not what you need
                    C#   **Bbm**
But I ma miss you so much
        D#m   **G#**
I m too focused on this dream,
           C#   **Bbm**
Your kiss is a drug
      D#m   **G#**
that pulls me back so quick
                  C#
Until I pull us apart,
Bbm   **D#m**   **G#**
Forgive my selfish heart, hey

Baby let s keep in touch
C#   **Bbm**
 You got my number baby, go ahead and call it up
D#m   **G#**
 You got my number baby, go ahead and call it up
C#   **Bbm**

```
                          You got my number baby, go ahead and call it up
D#m                       G#
 Go ahead and call it up, go ahead and call it up

C#             Bbm          D#m               G#
 You are the best, but I m never gon  let you know
C#             Bbm          D#m       G#
 Each and every day you call me beautiful
C#             Bbm          D#m                      G#
 You deserve the world soon the worst is soon gon  come around
C#               Bbm         D#m         G#
 And it breaks my heart to have to let you down

                     C#               Bbm
But I don t wanna waste your time
                          D#m               G#
No, you deserve to find the love of your life
                        C#          Bbm
One day you ll marry such a lovely wife
     D#m               G#
And hopefully we ll be fine!

                     C#      Bbm
But baby let s keep in touch, ooh
      D#m               G#
 Cause I m not what you need
                     C#   Bbm
But I ma miss you so much
      D#m               G#
I m too focused on this dream,
          C#        Bbm
Your kiss is a drug
     D#m               G#
that pulls me back so quick
                    C#
Until I pull us apart,
Bbm                 D#m     G#
Forgive my selfish heart, hey

Baby let s keep in touch
C#                         Bbm
 You got my number baby, go ahead and call it up
D#m                         G#
 You got my number baby, go ahead and call it up
C#                         Bbm
 You got my number baby, go ahead and call it up
D#m                           G#
 Go ahead and call it up, go ahead and call it up

C#                         Bbm
 You got my number baby, go ahead and call it up
D#m                         G#
Sorry I couldn t make it work, I had to call it off
```

```
C#                                Bbm
But you were the best in bed, yeah I can t deny
D#m                      G#
You know to turn me on, you re one of a kind

      C#                  Bbm
But I m gone  cause I be swerving
        D#m                          G#
I couldn t give you the time you were deserving
      C#                              Bbm
And I admit that I was stupid when I threw our love away
      D#m                        G#
But I hope that we can still be okay

                      C#      Bbm
But baby let s keep in touch,
      D#m              G#
 Cause I m not what you need
                          C#   Bbm
But I ma miss you so much
        D#m              G#
I m too focused on this dream,

Until I pull us apart,
Bbm                    D#m      G#
Forgive my selfish heart, hey

                      C#      Bbm
But baby let s keep in touch, ooh
        D#m              G#
 Cause I m not what you need
                          C#   Bbm
But I ma miss you so much
        D#m              G#
