[Verse 1]

**E** **B** **A**  
Sometimes, I find another world inside my mind  
**Dm7-5/F** **E**  
and when I realise the crazy things we do.  
**B** **A**  
It makes me feel ashamed to be alive,  
**F** **F#m G#**  
it makes me wanna run away and hide.

[Chorus]

**A** **B**  
It s all bout the money,  
**G#m** **G#**  
it s all bout the dum dum da da da dum.  
**A** **B**  
I don t think it s funny  
**C#** **B** **A#m7**  
to see us fade away.  
**A** **B**  
It s all bout the money,  
**G#m** **G#**  
it s all bout the dum dum da da da dum.  
**A** **B** **C#** **H** **A#m7** **E**  
And I think we got it all wrong anyway.

[Verse 2]

**E** **B** **A**  
We find strange ways of showing them how much we really care,  
**Dm7/F** **E**  
when in fact we just don t seem to care at all.  
**B** **A**  
This pretty world is getting out of hand,  
**F** **F#m G#**  
so tell me how we fail to understand.

[Chorus]

**A**  
It s all bout the money....  
**B** **B C# B C# B C#**  
....it all wrong anyway.

**A**

It s all bout the money....
