A# - **A#9**
Cruella De Vil
D# - **D#9**
Cruella De Vil
A# - **A#9**
If she doesn't scare you
D# - **D#9**
No evil thing will
A# -
To see her is to
F# - **Cm**
Take a sudden chill
G9 - **C7** - **F9**
Cruella, Cruella De Vil

A# - **A#9**
The curl of her lips
D# - **D#9**
The ice in her stare
A# - **A#9**
All innocent children
D# - **D#9**
Had better beware
A# - **F#** -
She's like a spider waiting
Cm
For the kill
C7 - **F7** - **A#**
Look out for Cruella De Vil

D7
At first you think
Gm
Cruella is the devil
D7
But after time has worn
Gm
Away the shock
C7
You come to realize
You've seen her kind of eyes

F#9

Watching you from underneath

Cm7/F - F9

A rock!

A# - A#9

This vampire bat

D# - D#9

This inhuman beast

A# - A#9

She ought to be locked up

D# - D#9

And never released

A# -

The world was such

F# - Cm

A wholesome place until

C7 - F7 - A#

Cruella, Cruella De Vil

C#dim7 F9
