[Intro]

**Am F**

**Am F**

[Verse 1]

**Am**

I ve been trying to not think about you lately

**F**

Trying to do myself some good

**Am**

But I m failing (failing)

**F**

Failing (failing)

**Am**

I ve been looking for something else to distract me

**F**

Looking for someone who s looking for someone

**Am**

Worth saving (saving)

**F**

Save me (save me)

[Pre-Chorus]

**G**

I feel the beat

**Dm**

Kicking in my chest

**G**

Close my eyes and wait

**F**

But it s not working yet

[Chorus]

**Am G Em F**

I hear the music but I can t dance

**Am G Em F**

I should be moving but I m stuck

**Am**

**G**

And I need to fight this feeling

**Em**

**F**

So I stay here on the floor

**Am**

**G**

I m not supposed to love you

**Em**

**F**

Not supposed to love you anymore

Am G Em F

Am G Em F

[Verse 2]

Am

I ve been looking for you in all these places

F

Looking for you in all these faces

Am

I push through (push through)

F

To get through (get through)

Am

I ve been trying to lose myself in the light

F

Trying to find myself in the night

Am

Without you (without you)

F

Can t find you (find you)

[Pre-Chorus]

G

I feel the beat

Dm

Kicking in my chest

G

Close my eyes and wait

F

But it s not working yet

[Chorus]
