

Better Alone
Melanie C

Artist: Melanie C

Song: Better Alone

Album: 2005 Beautiful Intentions

Verse

A **D**
I understand your point of view
G **E** **A**
Letting me go but I thought you had more faith
A **D**
Everything I've done for you
G **E** **A**
You made the mistakes and now you throw this in my face
A **D**
And I have worked so hard for you
G **C** **E**
All of this time and you cast me aside
A **D** **F**
I understand your point of view

Chorus

C **D**
But I can't seem to get my head around
D **F**
All the things that I feel good about
A **G**
Always seem to disappear
C **D**
And everytime I think I've got this all worked out
D **F**
Something chews me up and spits me out
F **A**
But there's nothing left to fear
D **F**
I'm better alone my dear.

Verse

A **D** **G**
You couldn't pick a better time to give me the news
G **E** **A**
Why don't you kick me when I'm down?
A **D**
I'd always believed in you
G **E** **A**

Defended your name but you have not been true

A **D**

I gave you so much of my life

G **C** **E**

I've compromised and you tell me goodbye

A **G** **F**

You couldn't pick a better time

Chorus

C **D**

And I can't seem to get my head around

D **F**

All the things that I feel good about

A **G**

Always seem to disappear

C **D**

And every time I think I've got this all worked out

D **F**

Something chews me up and spits me out

F **A**

But there's nothing left to fear

D **F**

I'm better alone my dear

A **C** **D** **F**

I know I really should thank you for setting me free

A **C** **D** **A**

It's really amazing the changes I'm starting to feel

A **F** **G**

It's not gonna be long, till I'm fit and strong

E **A**

Deliverance helped me heal

A **D** **F**

Still I wonder if you ever wish you still had me

C **D**

Will I ever get my head around

D **F**

All the things that I feel good about

A **G**

That always seems to disappear

C **D**

When every time I think I've got this all worked out

D **F**

Something chews me up and spits me out

F **A**

But there's nothing left to fear

G

No No No

C **D**

I can't seem to get my head around

D **F**
All the things that I feel good about

A **G**
That always seems to disappear

G
No No

C **D**
And every time I think I've got this figured out

D **F**
Something screws me up and drags me down

F **A**
But there's nothing left to fear

A **D F**
I'm better alone my dear
