Burn
Melanie C

Intro: **Fm** - **C#** - **G#** - **D#**

Verse:

Fm   **C#**
If I were somebody else
                          G#
I d be calling me stupid
     D#
But I still do this
Fm   **C#**
No way that you re gonna change
                             G#
Nothing to say that I wanna hear
            D#
I gotta get out of here

Prechorus:

          Fm   **C#**
I ve been driving down this road with my eyes closed
              G#
Trying to get lost
                 D#
But I know I ll be back again
         Fm
And it s easy to escape
      C#   **G#**
But as long as there s a way I can reach you
                    D#
I know it s never gonna be over

Chorus:

G#
I m throwing matches
D#
I m lighting dynamite
Fm
It never catches
C#
This bridge won t burn
G#
I drop the lighter
D#

Into the gasoline
Fm
No fire
C#   **G#**   **D#**
This bridge won t burn, burn, bu-urn
                         Fm   **C#**
This bridge won t burn, burn, bu-u-u-urn

(the chords are the same as in the 1st part)

Verse:

Can t even say it s your fault
Because I know it s me
That let you let me down
Another last chance
But I m not fooling anyone
You know better than anyone

Prechorus:

I ve been driving down this road with my eyes closed
Trying to get lost
But I know I ll be back again
And it s easy to escape
But as long as there s a way I can reach you
I know it s never gonna be over

Chorus:

I m throwing matches
I m lighting dynamite
It never catches
This bridge won t burn
I drop the lighter
Into the gasoline
No fire
This bridge won t burn, burn, burn
This bridge won t burn, burn, burn

Bridge:

Cm
Maybe there s a reason that I d
