**F#**  
Someone said in the book I read  
**C#**  
Love turns on like a light in your head  
**Ebm**  
When it does, you can't see why  
**B**  
Just hold on tight, go for a ride

**F#**  
Life can change in a second or two  
**C#**  
That's how it felt when I saw you  
**Ebm**  
All I need is honesty  
**B C#**  
Tell me baby

**F# C#**  
Do I, do I  
**Ebm B**  
Do I feel like someone you could love, yeah  
**F# C#**  
Do I, do I  
**Ebm B**  
Do I feel like someone you could hold on to  
**F# C#**  
Am I the one  
**Ebm B**  
The one who makes you come undone  
**F# C# Ebm B**  
Do I, do I

Like a planet spinning around the sun

Something cosmic has begun

We won't swim against the tide
