

First Day Of My Life

First Day Of My Life " Melanie C

Capo 1st fret

[Verse 1]

So I found a reason to stay alive
Try a little harder see the other side
Talking to myself
Too many sleepless nights
Trying to find a meaning to this stupid life
I don't want your sympathy
Sometimes I don't know who to be

[Chorus]

Hey what you re looking for?
No one has the answer
They just want more
Hey who's gonna make it right?
This could be the first
Day of my life

[Verse 2]

So I found a reason
To let it go
Tell you that I'm smiling
But I still need to grow
Will I find salvation in the arms of love
Will it stop me searching will it be enough

I don't want your sympathy
Sometimes I don't know who to be
