F5 **C#5**
I walked the line so carefully
G#5 **Eb5**
I took my time, I wondered
F5 **C#5**
The here and now, what matters now
G#5 **Eb5**
No looking back, that s over

F5 **C#5**
I don t know what tomorrow brings
G#5 **Eb5** **F5**
The sun may shine, the world come tumbling down
F5 **C#5**
I don t care what went on before
G#5 **Bb5** **C#5**
But I m sure of the here and now

C#5 **F5**
I stood alone, the only one
C#5 **G#5** **Bb5** **C#5**
I didn t know I was waiting
C#5 **F5**
For liberty to feel like me
G#5 **Eb5** **F5**
And now I m here I m not willing to change

F5 **C#5**
I don t know what tomorrow brings
G#5 **Eb5** **F5**
The sun may shine, the world come tumbling down
F5 **C#5**
I don t care what went on before
G#5 **Bb5** **C#5**
But I m sure of the here and now
Bb5 **C#5**
The here and now
Bb5 **C#5**
The here and now
