D5 **Bb5**
I walked the line so carefully
F5 **C5**
I took my time, I wondered
D5 **Bb5**
The here and now, what matters now
F5 **C5**
No looking back, that s over

D5 **Bb5**
I don t know what tomorrow brings
F5 **C5** **D5**
The sun may shine, the world come tumbling down
D5 **Bb5**
I don t care what went on before
 F5 **G5** **Bb5**
But I m sure of the here and now

Bb5 **D5**
I stood alone, the only one
Bb5 **F5** **G5** **Bb5**
I didn t know I was waiting
Bb5 **D5**
For liberty to feel like me
F5 **C5** **D5**
And now I m here I m not willing to change

D5 **Bb5**
I don t know what tomorrow brings
F5 **C5** **D5**
The sun may shine, the world come tumbling down
D5 **Bb5**
I don t care what went on before
 F5 **G5** **Bb5**
But I m sure of the here and now
G5 **Bb5**
The here and now
G5 **Bb5**
The here and now
