F#5 **D5**
I walked the line so carefully
A5 **E5**
I took my time, I wondered
F#5 **D5**
The here and now, what matters now
A5 **E5**
No looking back, that s over

F#5 **D5**
I don t know what tomorrow brings
A5 **E5** **F#5**
The sun may shine, the world come tumbling down
F#5 **D5**
I don t care what went on before
 A5 **B5** **D5**
But I m sure of the here and now

D5 **F#5**
I stood alone, the only one
D5 **A5** **B5** **D5**
I didn t know I was waiting
D5 **F#5**
For liberty to feel like me
A5 **E5** **F#5**
And now I m here I m not willing to change

F#5 **D5**
I don t know what tomorrow brings
A5 **E5** **F#5**
The sun may shine, the world come tumbling down
F#5 **D5**
I don t care what went on before
 A5 **B5** **D5**
But I m sure of the here and now
B5 **D5**
The here and now
B5 **D5**
The here and now
