Hey sugar hey You think I d ever let you go, get away
A
Ain t gonna happen, you know what I mean
F#
Hard as it seems, Everybody s gotta dream a little dream

C#m **E**
Chill baby chill I wish I could but I can t stop until
A
Need a shot of you to the brain
F#
Here we go again, Keep on moving baby like a runaway train

Em
*Like it s the last night on earth
G
Like it s the only chance we get to live
C
Let s give it all away, give it all we got
A
Cos my love won t wait for tomorrow

Em
**Like it s the last dance at the disco
G
Like it s the only song we get to sing
C
Let s give it all away, give it all we got
A **Em - Em B C#m**
Till the sun comes up sugar, don t stop

C#m **E**
Shake baby shake, The only habit I don t wanna break
A
You re sending a shiver down my spine
F#
Playing with my mind, Accelerate cos we re running out of time

C#m **E**
Feel baby feel, I want you from your head to your heels
A
Like I want you from your heart to your soul
