(Verse -- As Arpeggio)

They try to catch a falling star,  
Thinking that she had gone too far,  
She did, but kept it hidden well,  
Until she cracked and then she fell

(Verse)

If all the history is true,  
She s gonna end up just like you,  
You ll make it to the other side,  
But tell me, who will be my guide

(Bridge)

They build you up so they can tear you down,  
Trust the ocean, you ll never drown,  
Who is next, who s gonna steal your crown?,  
You ll see

(Chorus)

I have learnt my lesson well,  
The truth is out there, I can tell,  
Don t look back, and don t give in,  
To their lies, and goodbyes  
Northern star

(Verse)

Fullfill a longing in your heart,  
Then we will never be apart,  
And if they dare to question you,  
Just tell them that our love is true

(Bridge)

They buy your dreams so they can sell your soul,  
Is it is any wonder, we ve lost control  
Feelings burn,  
Feelings go

(Chorus)

I have learnt my lesson well,  
The truth is out there, I can tell,  
Don t look back, and don t give in  
To their lies, and goodbyes,  
Live your life without regret,  
Don t be someone who they forget,  
When your last, reach out for me,  
And you ll see, she s not far  
Northern star

(Chorus)

I have learnt my lesson well,  
The truth is out there, I can tell,  
Don t give up and don t succumb  
To their lies, and goodbyes  
Live your life without regret,  
Don t be someone who they forget,  
When your last, reach out for me,  
And you ll see, she s not far  
Northern star
