

**Things Will Never Be The Same Again**  
**Melanie C**

Melanie C-Never be the same again

(Gm Eb Bb Bb+ Gm)

Oooh yeah

I ll never be the same again

I call you up whenever things go wrong

You re always there you are my shoulder to cry on

I can t believe it took me quite so long

To take the forbidden step

Is this something that I might regret

Come on come on

Nothing ventured nothing gained

You are the one

The lonely heart that can t be tamed

Come on come on

I m hoping that you feel the same

This is something that I can t forget

Chorus:

(Gm Eb Bb F Gm)

I thought that we would just be friends

Things will never be the same again

It s just the beginning it s not the end

Things will never be the same again

It s not a secret anymore

Now we ve opened up the door

Starting tonight and from now on

We ll never, never be the same again

Never be the same again
