**Dm E Am**  
Peoples begin to observe  
**Dm E Dm**  
Watching the waste on this earth  
**Dm E Am**  
Mamas don t love their kids like they used to  
**Dm E Am**  
Letting them smoke their herbs

**Dm E Am**  
Nails bitten down to the nub  
**Dm E Am**  
Palms out as far as they run  
**Dm E Am**  
Soup never reaches its boil  
**Dm E Am**  
Dinner ain t the only thing they spoiled

**Dm E Am**  
Let the maggots and worms infest your brain  
**Dm E Am**  
Got your memory of all timers begins  
**Dm E Am**  
Let that hell of a drug emerge in your veins  
**Dm E Am**  
And I, will claim that I love you  
**Dm E Am**  
And I am the one who birthed you

**Dm E Am**  
Skin tearin down to the bone  
**Dm E Am**  
Freckles fall off as they re told  
**Dm E Am**  
You realize soon your identity changes  
**Dm E Am**  
No longer the person you were  
**Dm E Am**  
No longer the person that you adore

**Dm E Am**  
Let the maggots and worms infest your brain  
**Dm E Am**  
Got your memory of all timers begins  
**Dm E Am**  
Let that hell of a drug emerge in your veins  
**Dm E Am**

And I, will claim that I love you

**Dm E Am**

And I am the one who birthed you

( **Am** ) 2X

**G**

Thank you mama

**Am**

For all you ve done

**G**

Gave me cancer

**Am**

And thick black lungs

**G**

Left me rotting

**Am**

On the street

**G**

Rather shoot up

**Am E**

Than have food to eat

**Dm E Am**

Let the maggots and worms infest your brain

**Dm E Am**

Got your memory of all timers begins

**Dm E Am**

Let that hell of a drug emerge in your veins

**Dm E Am**

And I, will claim that I love you

**Dm E Am**

And I am the one who birthed you

**Dm E Am**

And I am the one who birthed you

**Dm E Am**

Do, do, do do do, do, do [2x]

**Dm E Am**

Mamas don t love their kids like they used to

**Dm E Am**

Letting them smoke their herbs
