

**Blue Blue Knees**  
**Melanie Martinez**

**Am**

Just cause I bought a band-aid

**E**

**G**

Doesn't mean I'm able to clean the scars that run deeper than all my old demons

**Dm**

I have kept 'em under still water

**Am**

Just cause you give me flowers

**E**

Doesn't cover up the smell of a dead body

**G**

**Dm**

Or raise the dead body of a girl who got shut down before

**Am**

Just cause you crack the window

**E**

Doesn't mean I'm able to clear the air

**G**

**Dm**

That made hard to breathe before you came around here

**Am**

Just cause you say you love me

**E**

**G**

Doesn't mean that I'm gonna look you in the eyes

Pretend to be surprised

**Dm**

And say I love you back (love you back)

**Am**

Cause I'm trippin', trippin' on rocks

**E**

Cuttin' on my ankles where I know the blood stops

**G**

Blue, blue knees

**Dm**

Fallin' for the next man who breathes

**Am**

I need a band-aid recovery

**E**

**G**

Don't get too close cause you're really nothing to me

**Dm**

You're just a band-aid on my knees (oh ooh)

**Am**

**E**

You're just a band-aid recovery

**G**

I'll rip you off when I please

**Dm**

I ll rip you off when I please

**Am**

Just cause I m coming over

**E**

Doesn t mean I ll be there when you wake up

**G**

**Dm**

Cause coming over doesn t mean that I m over him

**Am**

Just cause you are my band-aid

**E**

Doesn t mean I want you to stick around

**G**

**Dm**

Cause rebounds get washed away the next time it rains

**Am**

Cause I m trippin , trippin on rocks

**E**

Cuttin on my ankles where I know the blood stops

**G**

Blue, blue knees

**Dm**

Fallin for the next man who breathes

**Am**

I need a band-aid recovery

**E**

**G**

Don t get too close cause you re really nothing to me

**Dm**

You re just a band-aid on my knees (oh ooh)

**Am**

**E**

You re just a band-aid recovery

**G**

I ll rip you off when I please

**Dm**

I ll rip you off when I please
